

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Food and Drug Administration

[Docket No. FDA-2022-N-1046]

#### Wojciech Lesniak: Final Debarment Order

**AGENCY:** Food and Drug Administration, HHS.

**ACTION:** Notice.

**SUMMARY:** The Food and Drug Administration (FDA) is issuing an order under the Federal Food, Drug, and Cosmetic Act (FD&C Act) debarring Wojciech Lesniak for a period of 5 years from importing or offering for import any drug into the United States. FDA bases this order on a finding that Mr. Lesniak engaged in a pattern of importing or offering for import misbranded drugs (i.e., in an amount, frequency, or dosage that is inconsistent with his personal or household use) that are not designated in an authorized electronic data interchange system as products regulated by FDA. Mr. Lesniak was given notice of the proposed debarment and was given an opportunity to request a hearing to show why he should not be debarred. As of November 21, 2022 (30 days after receipt of the notice), Mr. Lesniak had not responded. Mr. Lesniak's failure to respond and request a hearing constitutes a waiver of his right to a hearing concerning this matter.

**DATES:** This order is applicable [INSERT DATE OF PUBLICATION IN THE *FEDERAL REGISTER*].

**ADDRESSES:** Any application by Mr. Lesniak for termination of debarment under section 306(d)(1) of the FD&C Act (21 U.S.C. 335a(d)(1)) may be submitted as follows:

#### *Electronic Submissions*

- Federal eRulemaking Portal: <https://www.regulations.gov>. Follow the instructions for submitting comments. An application submitted electronically, including attachments, to <https://www.regulations.gov> will be posted to the docket unchanged. Because your

application will be made public, you are solely responsible for ensuring that your application does not include any confidential information that you or a third party may not wish to be posted, such as medical information, your or anyone else's Social Security number, or confidential business information, such as a manufacturing process. Please note that if you include your name, contact information, or other information that identifies you in the body of your application, that information will be posted on <https://www.regulations.gov>.

- If you want to submit an application with confidential information that you do not wish to be made available to the public, submit the application as a written/paper submission and in the manner detailed (see "Written/Paper Submissions" and "Instructions").

#### *Written/Paper Submissions*

- Mail/Hand Delivery/Courier (for written/paper submissions): Dockets Management Staff (HFA-305), Food and Drug Administration, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852.
- For a written/paper application submitted to the Dockets Management Staff, FDA will post your application, as well as any attachments, except for information submitted, marked, and identified, as confidential, if submitted as detailed in "Instructions."

*Instructions:* All applications must include the Docket No. FDA-2022-N-1046. Received applications will be placed in the docket and, except for those submitted as "Confidential Submissions," publicly viewable at <https://www.regulations.gov> or at the Dockets Management Staff between 9 a.m. and 4 p.m., Monday through Friday, 240-402-7500.

- Confidential Submissions—To submit an application with confidential information that you do not wish to be made publicly available, submit your application only as a written/paper submission. You should submit two copies total. One copy will include the information you claim to be confidential with a heading or cover note that states "THIS DOCUMENT CONTAINS CONFIDENTIAL INFORMATION." The Agency

will review this copy, including the claimed confidential information, in its consideration of your application. The second copy, which will have the claimed confidential information redacted/blacked out, will be available for public viewing and posted on <https://www.regulations.gov>. Submit both copies to the Dockets Management Staff. If you do not wish your name and contact information to be made publicly available, you can provide this information on the cover sheet and not in the body of your application and you must identify this information as “confidential.” Any information marked as “confidential” will not be disclosed except in accordance with 21 CFR 10.20 and other applicable disclosure law. For more information about FDA’s posting of comments to public dockets, see 80 FR 56469, September 18, 2015, or access the information at: <https://www.govinfo.gov/content/pkg/FR-2015-09-18/pdf/2015-23389.pdf>.

*Docket:* For access to the docket, go to <https://www.regulations.gov> and insert the docket number, found in brackets in the heading of this document, into the “Search” box and follow the prompts and/or go to the Dockets Management Staff, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852 between 9 a.m. and 4 p.m., Monday through Friday. Publicly available submissions may be seen in the docket.

**SUPPLEMENTARY INFORMATION:**

I. Background

Section 306(b)(1)(D) of the FD&C Act (21 U.S.C. 335a(b)(1)(D)) permits debarment of an individual from importing or offering for import any drug into the United States if the FDA finds, as required by section 306(b)(3)(D) of the FD&C Act, that the individual has engaged in a pattern of importing or offering for import misbranded drugs (i.e. in an amount, frequency, or dosage that is inconsistent with personal or household use by the importer), that are not

designated in an entry in an authorized electronic data interchange system as products regulated by FDA.

After an investigation, FDA discovered that Mr. Lesniak has engaged in numerous instances of importing or offering for import misbranded drugs; all the parcels containing the misbranded drugs serving as the basis for this action, described in further detail below, were intercepted by FDA at either the Miami or the Newark International Mail Facilities (IMF) and were addressed to Mr. Lesniak at an address connected to him.

On or about June 28, 2019, Mr. Lesniak offered for import a parcel intercepted and processed by FDA at the Newark IMF and which was addressed to him. This parcel contained multiple products. FDA determined that one of the products contained in this parcel was 280 tablets of BAYER ASPIRIN C (Acidum acetylsalicylicum 400 milligram (mg) + Acidum Ascorbicum 240 mg) and was refused entry on August 15, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR. 201.15(c)(1). FDA also determined that another product contained in this parcel was 360 tablets of APAP (paracetamolum 500 mg) tabletki powlekane. The product was refused entry on August 15, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR. 201.15(c)(1). FDA also determined that another product contained in this parcel was 300 tablets of APAP EXTRA (Paracetamolum 500 mg + Caffeinum 65 mg). The product was refused entry on August 15, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1). The product was a misbranded drug pursuant to section 502(c) of the FD&C Act. FDA also determined that another product contained in this parcel was 156 tablets of ALTACET TABLETKI (Aluminii Acetas Tartas 1gram (g)). The product was refused entry on August 15, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1). All the products in this parcel were misbranded drugs pursuant to section 502(c) of the FD&C Act.

On or about July 02, 2019, Mr. Lesniak offered for import a parcel intercepted and processed by FDA at the Newark IMF and which was addressed to him. This parcel contained multiple products. The FDA determined that one of the products contained in this parcel was 600 g of MASC CYNKOWA (Zinc Oxidi urgumentum) 10%. The product was refused entry on August 22, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1), and because the product appeared to be an over-the-counter drug without required labeling. FDA determined that one of the products contained in this parcel was 960 tablets of NO-SPA (Drotaverini hydrochloridum 40 mg). The product was refused entry on August 22, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1), and because the product appeared to be an over-the-counter drug without required labeling. FDA determined that one of the products contained in this parcel was 80 tablets of RANIGAST MAX (Ranitidinum 150mg). The product was refused entry on August 22, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1), and because the product appeared to be an over-the-counter drug without required labeling. FDA determined that one of the products contained in this parcel was 3 packages of OROFAR TOTAL ACTION (Benzoxonii chloridum + Lidocaini Hydrochloridum (2.5mg + 1,5mg/milliliters (ml))). The product was refused entry on August 22, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1), and because the product appeared to be an over-the-counter drug without required labeling. FDA determined that one of the products contained in this parcel was 10 packages of MASC ICHTIOLOWA (Ammonii Bituminosulfonatis Unguentum FP 10%). The product was refused entry on August 22, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1), and because the product appeared to be an over-the-counter drug without required labeling. All of the products in this parcel were misbranded drugs pursuant to section 502(c) of the FD&C Act.

On or about July 02, 2019, Mr. Lesniak offered for import another parcel intercepted and processed by the FDA at the Newark IMF and which was addressed to him. FDA determined that one of the products contained in this parcel was 530 tablets of RANIGAST MAX (Ranitidinum 150mg). The product was refused entry on August 23, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1). FDA determined that one of the products contained in this parcel was 25 packages of LIOTON 1000 ZEL (Heparinum Natricum). The product was refused entry on August 23, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1). FDA determined that one of the products contained in this parcel was 10 packages of MASC ICHTIOLOWA (Ammonii bituminosulfonatis unguentum FP). The product was refused entry on August 23, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1). FDA determined that one of the products contained in this parcel was 20 packages of OPOKAN ACTIGEL (100mg/ml, zel Naproxenum). The product was refused entry on August 23, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1). FDA determined that one of the products contained in this parcel was 3 packages of ALTACEL ZEL (Aluminii Acetotartras 10mg/g). The product was refused entry on August 23, 2019, because the product's required label or labeling appeared to not be in English, in violation of 21 CFR 201.15(c)(1). All the products in this parcel were misbranded drugs pursuant to section 502(c) of the FD&C Act.

On or about January 4, 2022, Mr. Lesniak offered for import another parcel intercepted and processed by FDA at the Miami IMF and which was addressed to him. FDA determined that one of the products contained in this parcel was 4 boxes of DIOHESPAN MAX and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English in violation of 21 CFR 201.15(c)(1) and the drug was not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 4 boxes of NEO-ANGIN and was a misbranded drug

pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and the drug was not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 10 boxes of FURAGINUM and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and the drug was not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 10 boxes of ALTACET and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and the drug was not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 17 boxes of RUTINOSCORBIN and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and it was determined the drug is not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 10 boxes of ESPUMISAN MAX and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and it was determined the drug is not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 18 boxes of RAPHACHOLIN FORTE and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and it was determined the drug is not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 20 boxes of WEGIEL LECZNICZY and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and it was determined

the drug is not included in a list required by section 510(j) of the FD&C Act. FDA determined that another one of the products contained in this parcel was 41 boxes of GRIPEX MAX and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and it was determined the drug was not included in a list required by section 510(j) of the FD&C Act. All the products in this parcel were destroyed on March 11, 2022.

On or about February 16, 2022, Mr. Lesniak offered for import a parcel intercepted and processed by the FDA at the Miami IMF and which was addressed to him. FDA determined that the product contained in this parcel was 42 boxes of FLEGAMINA CLASSIC and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1). The product was destroyed on March 11, 2022.

On or about February 16, 2022, Mr. Lesniak offered for import another parcel intercepted and processed by the FDA at the Miami IMF and which was addressed to him. FDA determined that the product contained in this parcel was 42 boxes of FLEGAMINA CLASSIC and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1). The product was destroyed on March 11, 2022.

On or about February 18, 2022, Mr. Lesniak offered for import a parcel intercepted and processed by the FDA at the Miami IMF and which was addressed to him. FDA determined that the product contained in this parcel was 42 boxes of FLEGAMINA CLASSIC and was a misbranded drug pursuant to section 502(c) of the FD&C Act because the product's required label or labeling was not in English, in violation of 21 CFR 201.15(c)(1), and it was determined the drug was not included in a list required by section 510(j) of the FD&C Act. The product was refused entry on March 22, 2022.

As a result of this pattern of importing or offering for import misbranded drugs (i.e. in an amount, frequency, or dosage that is inconsistent with his personal or household use) that are not designated in an authorized electronic data interchange system as products regulated by FDA, in accordance with section 306(b)(3)(D) of the FD&C Act (21 U.S.C. 335a(b)(3)(D)), FDA sent Mr. Lesniak, by certified mail on October 17, 2022, a notice proposing to debar him for a 5-year period from importing or offering for import any drug into the United States. In proposing a debarment period, FDA weighed the considerations set forth in section 306(c)(3) of the FD&C Act that it considered applicable to Mr. Lesniak's pattern of conduct and concluded that his conduct warranted the imposition of a five-year period of debarment. The proposal informed Mr. Lesniak of the proposed debarment and offered him an opportunity to request a hearing, providing 30 days from the date of receipt of the letter in which to file the request, and advised him that failure to request a hearing constituted a waiver of the opportunity for a hearing and of any contentions concerning this action. Mr. Lesniak received the proposal and notice of opportunity for a hearing on October 22, 2022. Mr. Lesniak failed to request a hearing within the timeframe prescribed by regulation and has, therefore, waived his opportunity for a hearing and waived any contentions concerning his debarment. (21 CFR part 12).

## II. Findings and Order

Therefore, the Assistant Commissioner, Office of Human and Animal Food Operations, under section 306(b)(3)(D) of the FD&C Act, under authority delegated to the Assistant Commissioner, finds that Mr. Wojciech Lesniak has engaged in a pattern of importing or offering for import misbranded drugs (i.e. in an amount, frequency, or dosage that is inconsistent with his personal or household use) that are not designated in an authorized electronic data interchange system as products regulated by FDA. FDA finds that this pattern of conduct should be accorded a debarment period of 5 years as provided by section 306(c)(2)(A)(iii) of the FD&C Act.

As a result of the foregoing finding, Mr. Lesniak is debarred for a period of 5 years from importing or offering for import any drug into the United States, effective (see DATES).

Pursuant to section 301(cc) of the FD&C Act (21 U.S.C. 331(cc)), the importing or offering for import into the United States of any drug by, with the assistance of, or at the direction of Mr.

Lesniak is a prohibited act.

**Dated:** February 22, 2023.

**Lauren K. Roth,**

*Associate Commissioner for Policy.*
